## Hot Booths

Make your booth a “Hot Booth!” Attendees can win a cash drawing by being in the right “hot booth”—your booth—at the right time! During designated time periods (at least one drawing each day), NACCHO show management will randomly announce one of the “hot booth” numbers. All attendees standing in that booth when the number is called will be eligible to win a cash prize on the spot in your booth. There are only 12 “hot booths” available, so sign up today using the “Application & Contract for Exhibit Space” form included in this publication.

## Tote Bag Gifts

Include a functional gift item in the NACCHO Annual 2009 Conference tote bag. Take advantage of this ideal opportunity to promote your company's name and logo, latest product, or newest service to all conference attendees. Tote bag insert sign-up forms will be included in the Exhibitor Services Manual. No paper, please.

## Exhibitor Drawings

Your company or organization can raffle off a prize from your exhibit booth! The winner will be announced in the Exhibit Hall along with your company's name and booth number. Raffle sign-up forms will be included in the Exhibitor Service Manual.

## Scavenger Hunt

NACCHO Annual attendees will have the opportunity to win a complimentary NACCHO Annual 2010 Conference registration by participating in the Exhibit Hall Scavenger Hunt! Attendees will visit your booth on their hunt to collect four colored stickers: red, green, blue, and yellow on their scavenger hunt playing card. Each exhibitor will automatically be given a supply of stickers in one color to distribute to attendees. The scavenger hunt culminates with a drawing for a complimentary registration during designated Exhibit Hall hours.
