TABLE 001 page 1

**Type Of Jurisdiction**

**1. Which option best describes your jurisdiction?**

	UNWEIGHTED TOTAL	NACCHO members	APA members
base: all respondents	938 100%	395 100%	543 100%
county	306 33%	228 58%	78 14%
city, town, township, or village	274 29%	61 15%	213 39%
regional or multijurisdictional	79 8%	38 10%	41 8%
joint city/county	47 5%	33 8%	14 3%
other	17 2%	8 2%	9 2%
does not apply	215 23%	27 7%	188 35%
no answer	0 0%	0 0%	0 0%

TABLE 002 page 1

**Jurisdiction Name**

*2a. What is the name of your jurisdiction?*

	UNWEIGHTED TOTAL	NACCHO members	APA members
base: jurisdiction employees	723 100%	368 100%	355 100%
answered [see verbatim comments]	719 99%	367 100%	352 99%
no answer	4 1%	1 0%	3 1%

TABLE 003 page 1

**Jurisdiction Web Site**

*2b. What is your jurisdiction's web site address?*

	UNWEIGHTED TOTAL	NACCHO members	APA members
base: jurisdiction employees	723 100%	368 100%	355 100%
answered [see verbatim comments]	618 85%	293 80%	325 92%
no web site	77 11%	65 18%	12 3%
no answer	28 4%	10 3%	18 5%

TABLE 004 page 1

**Jurisdiction Population**

**3. What is the population of your jurisdiction?**

	UNWEIGHTED TOTAL	NACCHO members	APA members
base: jurisdiction employees	723 100%	368 100%	355 100%
1 million or more	55 8%	16 4%	39 11%
250,000 - 999,999	134 19%	64 17%	70 20%
50,000 - 249,999	266 37%	142 39%	124 35%
less than 50,000	265 37%	146 40%	119 34%
no answer	3 0%	0 0%	3 1%

TABLE 005 page 1

**Officials' Feelings About Planning/Public Health**

*4a. How do you think your jurisdiction's elected and appointed officials feel about the connections between planning, land use, and public health?*

	UNWEIGHTED TOTAL	NACCHO members	APA members
base: jurisdiction employees	723 100%	368 100%	355 100%
an important policy issue	143 20%	72 20%	71 20%
an emerging policy issue	292 40%	155 42%	137 39%
not an important issue	183 25%	98 27%	85 24%
unsure	101 14%	39 11%	62 17%
no answer	4 1%	4 1%	0 0%

TABLE 006 page 1

**Respondent's Feelings About Planning/Public Health**

*4b. How do you feel about the connections between planning, land use, and public health?*

	UNWEIGHTED TOTAL	NACCHO members	APA members
base: jurisdiction employees	723 100%	368 100%	355 100%
an important policy issue	425 59%	232 63%	193 54%
an emerging policy issue	257 36%	121 33%	136 38%
not an important issue	17 2%	4 1%	13 4%
unsure	21 3%	8 2%	13 4%
no answer	3 0%	3 1%	0 0%

TABLE 007 page 1

**Status Of Planning/Public Health Discussions**

**5. Have there been discussions in your jurisdiction regarding the connections between planning, land use, and public health?**

	UNWEIGHTED TOTAL	NACCHO members	APA members
base: jurisdiction employees	723 100%	368 100%	355 100%
yes, and policies or strategies have been formed	162 22%	84 23%	78 22%
yes, but no policies or strategies have been formed yet	295 41%	167 45%	128 36%
there have been no discussions	199 28%	90 24%	109 31%
unsure	63 9%	23 6%	40 11%
no answer	4 1%	4 1%	0 0%

TABLE 008 page 1

**Leadership For Planning/Public Health Collaboration**

*6. In your jurisdiction, are there elected officials, appointed officials, and/or persons in a leadership role that could initiate collaboration between the planning function and the public health function?*

	UNWEIGHTED TOTAL	NACCHO members	APA members
base: jurisdiction employees	723 100%	368 100%	355 100%
yes	526 73%	292 79%	234 66%
no	44 6%	18 5%	26 7%
unsure	149 21%	55 15%	94 26%
no answer	4 1%	3 1%	1 0%

TABLE 009 page 1

**Interagency Collaboration**

**7. In the last 5 years, with what agencies has your jurisdiction's [planning] [public health] department collaborated on ways to improve public health and safety (if any)?**

	UNWEIGHTED TOTAL	NACCHO members	APA members
base: jurisdiction employees (multiple answers)	723 100%	368 100%	355 100%
school district	406 56%	296 80%	110 31%
parks and recreation	394 54%	199 54%	195 55%
public safety	384 53%	233 63%	151 43%
public works	362 50%	190 52%	172 48%
transportation	268 37%	92 25%	176 50%
housing department or authority	251 35%	158 43%	93 26%
planning	207 29%	207 56%	0 0%
engineering	187 26%	72 20%	115 32%
public health	126 17%	0 0%	126 35%
other federal, state, or local government agencies	276 38%	171 46%	105 30%
indicated one or more	661 91%	359 98%	302 85%
unsure	40 6%	6 2%	34 10%
none	22 3%	3 1%	19 5%
no answer	0 0%	0 0%	0 0%

TABLE 010 page 1

**Practical Barriers to Collaboration**

**8a. In your jurisdiction, what do you feel are the practical barriers to increased collaboration, information sharing, and joint programming of planning, land use, and public health (if any)?**

	UNWEIGHTED TOTAL	NACCHO members	APA members
base: jurisdiction employees (multiple answers)	723 100%	368 100%	355 100%
[planning] [public health] department ...			
lacks staff resources to expand its focus to include [public health] [planning and land use] issues	512 71%	286 78%	226 64%
lacks funding to expand its focus to include [public health] [planning and land use] issues	472 65%	279 76%	193 54%
lacks staff that are qualified to be involved in [public health] [planning] issues	293 41%	148 40%	145 41%
can only engage in projects and work programs that it is statutorily mandated to perform or has funding to perform	145 20%	78 21%	67 19%
operates in "crisis" mode, making long-term, inter- disciplinary work difficult to accomplish	142 20%	51 14%	91 26%
does not have the flexibility to get involved in inter- departmental activities outside the scope of what it is doing currently	98 14%	46 13%	52 15%
has long-established, institu- tionalized relationships among departments that discourage a collaborative approach	62 9%	28 8%	34 10%
other	83 11%	47 13%	36 10%
indicated one or more	650 90%	339 92%	311 88%
no practical barriers	50 7%	25 7%	25 7%
no opinion	23 3%	4 1%	19 5%
no answer	0 0%	0 0%	0 0%

TABLE 011 page 1

**Substantive Barriers to Collaboration**

***8b. In your jurisdiction, what do you feel are the substantive barriers to increased collaboration, information sharing, and joint programming of planning, land use, and public health (if any)?***

	UNWEIGHTED TOTAL	NACCHO members	APA members
base: jurisdiction employees (multiple answers)	723 100%	368 100%	355 100%
it is difficult to get citizens interested or involved in public health issues, except in times of emergency	319 44%	176 48%	143 40%
public health is regarded solely as a medical issue [- in other words, it is not a concern for planners]	233 32%	108 29%	125 35%
health safeguards and regula- tions are regarded as barriers to local growth and development	171 24%	120 33%	51 14%
other	118 16%	74 20%	44 12%
indicated one or more	523 72%	283 77%	240 68%
no substantive barriers	144 20%	70 19%	74 21%
no opinion	52 7%	13 4%	39 11%
no answer	4 1%	2 1%	2 1%

TABLE 012 page 1

**Jurisdiction Plan Status: Summary (Prepared/Updated In Last 5 Years)**

*9. Below is a list of plan types that a jurisdiction's planning agency or other local agencies may prepare over time. Have the following plans been prepared or updated by your jurisdiction in the last 5 years?*

	UNWEIGHTED TOTAL	NACCHO members	APA members
SUMMARY: PREPARED/UPDATED IN LAST 5 YEARS			
base: jurisdiction employees (multiple answers)	723 100%	368 100%	355 100%
