Please indicate a secondary session category:

In the event the review committee feels your abstract would be better presented in a different format than the one you are submitting, please indicate your second preference for session format.

Session Description for Review (limit 500 words/4,000 characters, including spaces):

Please include items such as: Hypothesis Question or Problem Statement, Methods, and Results, Recommendations/Practical Applications/Future Goals.

Session Description for Publication (web, conference program) (limit 50 words/350 characters, including spaces):

Writing Tips: This description will be used for the conference program. As such, the first sentence should be a hook that grabs the reader's attention and entices them to come to the session. The description should also briefly reiterate the problem/issue being addressed and the solution.

Also, make every effort to use good grammar, proper sentence structure, transitions between sentences, and so on. Do use complete sentences. Please do not use bullet points.

Presentation Format Preference: In-Person or Remote

At this time, NACCHO is moving forward with planning a hybrid conference for 2023 offering both in-person and pre-recorded (on demand) content. Please indicate if you are only interested in presenting remotely for the possible virtual only content, if you are interested in presenting live and in-person, or if you have no preference. *

- I am only interested in presenting remotely and not in person
- I am only interested in presenting in person
- No Preference

Please note: NACCHO reserves the right to alter the length of the any virtual presentations. Also, by indicated in-person you are confirming that you have the required resources to travel and attend the meeting.
