

NACCHO's Billing for Clinical Services Toolkit Council for Affordable Quality Healthcare (CAQH)

Enter your desired keyword or term in the **Search Title/Description** box. The term entered will populate related resources specific to your search in the *Billing for Clinical Services Toolkit*.

The screenshot displays a search interface with a table of results and a search filter overlay. The table lists six search results, each with a rank, date, tool description, toolkit name, and state. The search filter overlay is titled 'Search Tools' and includes options for search collection, toolkits, search title/description (with 'CAQH' entered and circled), states, keywords, and search by date. Navigation buttons like 'View Previous', 'Go to Tool', and 'View Next' are visible at the bottom.
