

Environmental Health Impact: CY 2023

NACCHO's Environmental Health team develops innovative content that informs and empowers local health departments (LHDs) to improve health in communities.

From January - December 2023:

18
contracts signed in service of LHDs worth
\$499,324

30
travel scholarships
awarded to LHDs.

298
downloads of EH publications from
NACCHO Bookstore.

17
individual, panel, and poster
presentations at conferences.

16
webinars, sharing sessions, site
visits, and technical assistance
programs conducted.

4
member workgroups that meet
monthly.

109
tools, publications, and media mentions with
150M+
readers exposed to NACCHO's press coverage in
environmental health.

56
e-newsletters sent to
15,858 subscribers.

116
updates shared directly with over
32,000 members on community
forums.

16,152 pageviews of
NACCHO's environmental health
program webpages.

16,100 visits of NACCHO
blogsites posting environmental
health news.

59,124
followers informed of environmental
public health news on social media.
