200,000+	Add \$100	3,000,000+	Add \$300

### Powered by LiveStories Data Platform

LiveStories gives your health department the ability to compare cities, counties, and states on various indicators so you can identify and elevate areas of concern. LiveStories is a tool for collaboration between internal and external teams, so everyone can share information and work together to build healthier, safer, and smarter communities.
