

Organizational Commitment to the Family Healthy Weight Program Action Institute

Please include an organizational commitment letter with the following components addressed as part of the commitment letter.

- A. Include organizational letterhead, date, and signature by authorized personnel
- B. Include the designated team members that will actively participate throughout the Action Institute
- C. Describe specific actions you're prepared to take to address FHWP barriers in your unique context:
 - a. Describe what authority you have to document and share information about your reimbursement challenges and potential solutions
 - b. Describe how you will ensure team members consistently participate in all phases of the Action Institute
 - c. Describe what interaction you currently have with state-level policy partners and how you can continue to engage them, or what prohibitions there could be on engaging them
