PROCESS EVALUATION
FEEDBACK

PROS
- Partners felt ownership of strategic issues.
- Issues not biased by any one agency’s agenda.
- Issues resonate with the community.
- Extensive data.

CONS
- Missing partners.

TURN THE CURVE
Results Based Accountability

- What is the “end”?
- How are we doing?
- What is the story behind the curve of the baseline?
- Who are partners who have a role to play in turning the curve?
- What works to turn the curve?
- What do we propose to do to turn the curve?
NEXT STEPS
