

NACCHO TRAVEL POLICY – CALENDAR YEAR 2022

As a national public health organization, NACCHO has need for people from all over the country to travel for NACCHO business. The following policy is used to assist in obtaining reimbursement from NACCHO for travel expenses. Questions should be directed to the contact for the project for which the travel occurred. The phone number for NACCHO is 202-783-5550.

REIMBURSEMENT POLICY

Transportation

1. Air travel must be completed using the least expensive fare available. NACCHO is equipped to handle flight arrangements through Association Travel Concepts (ATC). Once your travel has been approved by NACCHO, you will receive an activation email link from (notifier@Deem.com) that will lead you to book your travel step by step by using [Etta powered by Deem@work™](#), ATC's online booking agent, along with an activation code. If you experience any issues you can call to speak to an ATC agent directly at (800) 458-9383, Monday through Friday, 8:30 AM- 5:00 PM (EST). If you need urgent assistance outside of ATC's normal business hours, they have a reliable call center to assist you that can be reached at (844) 686-0442. Reservation questions can also be sent to reservations@atcmeetings.com. ATC will be given approval by NACCHO to charge tickets to the NACCHO account. You must obtain pre-approval by NACCHO to purchase your ticket directly from another agency or from the airlines.
2. Travel by railway can also be used, using the most direct route, and should not exceed the least expensive air travel via the most direct economy air route.
3. Travel by automobile can also be used, using the most direct route, and should not exceed the least expensive air travel via the most direct economy air route. The cost by automobile includes mileage reimbursed at the current government rate per mile, garage parking at hotel / motel and tolls. The cost by the most direct (no more than one stops and/or flight change) economy air route includes any fees charged by airlines and the cost of ground transportation to and from the airport. Travelers should provide the actual mileage driven on the expense form and document departure and arrival locations.
4. Other ground transportation expenses, such as parking, taxi, bus, shuttles, etc. whether incurred at point of departure or upon return, will be reimbursed providing original receipts are submitted. Please note that car rental will not be allowed without prior approval by NACCHO. NACCHO will not reimburse for extra insurance purchased if the traveler's automobile insurance covers rental vehicles driven during business use.

5. Current air pricing structures can allow for substantial savings if travelers stay over on Saturday night. NACCHO will cover the associated lodging and per diem costs associated with a Saturday stay-over provided that this total cost is less than what the airfare would have cost if there had been no Saturday stay. Approval for this should be obtained prior to the trip.

Lodging

1. Reimbursement will be based on the actual amount paid for lodging. It is expected that the cost will be as close as possible to the federal daily maximum for that geographic area. Items such as personal telephone calls and room service items (e.g., movies, bar) are considered to be personal expenses and will not be reimbursed.

Meals and Incidental Expenses

1. Reimbursement will be made up to a maximum per diem of \$71. This is designed to cover the cost of purchasing meals while traveling and to cover small incidental expenses such as non-meal tips. The \$71 will be reduced by the cost of the meals which the traveler does not have to purchase while traveling. No per diem will be provided for any meal provided at the meeting. This restriction includes meals which are furnished by NACCHO and meals that do not need to be purchased because the traveler is not traveling at a time that a meal would occur. The per diem rates are:

Breakfast:	\$13.00
Lunch:	\$20.00
Dinner:	\$32.00
Incidentals	\$ 6.00

Please claim per diem for the meals you purchased while on travel (i.e., you may not claim breakfast per diem if you did not start your travel until after the time regularly eat breakfast and you may not claim dinner per diem if you arrive home before you regularly eat dinner). Travelers who spend time traveling over and above what is needed for NACCHO business will not be reimbursed for per diems unless the extra time spent results in net savings to NACCHO
