

Every Step of the Way through the 1,000 days: Improving Community Health through Continuity of Care in Chest/Breastfeeding Support

WC4487-111821

PROGRAM DESCRIPTION: This is the second webinar of the 8-part Every Step of the Way through the 1,000 days: Continuity of Care in Breastfeeding Support Blueprint series. This webinar will focus on Recommendation 1 of the Continuity of Care in Breastfeeding Support: A Blueprint for Communities. Presenters will discuss lactation support as a health promotion strategy, the importance of understanding the local lactation landscape through community assessments and integrating lactation support into public health programs and community health improvement plans (CHIPs).

OBJECTIVES:

At the conclusion of the session, the participant will be able to:

1. Discuss breastfeeding equity as a public health issue
2. Describe continuity of care gaps in community lactation support
3. Describe the role of multisectoral partnership in establishing continuity of care in breastfeeding support
4. Identify key recommendations and strategies to establish chest/breastfeeding CoC in the community
