

New Member Discount: ArmorVax

NACCHO's affiliate partner, ArmorVax, is a two-part platform that includes:

- (1) A free smartphone app for consumers to find appointments and store their vaccination records AND
- (2) A web portal for providers to make appointments available and import data directly into your state's immunization registry, combined with a vaccine inventory management tool. ArmorVax is live and currently being used by Ohio LHDs for Phase 1.

NACCHO members receive a discount of at least 15% when signing up with ArmorVax.

Demos will be held every Wednesday through March 3 at 2 PM ET. [Register Here.](#)
Email membership@naccho.org to schedule an individual demo or for additional information.
