State

Zip Code

Size of Jurisdiction

Small (0-50,000)
Medium (50,000-499,999)
Large (500,000+)

**Primary Contact
Person**
(if different)

Title

Phone Number

E-Mail Address

Participating organization will enter into a contract with NACCHO to complete the deliverable(s) described in the Request for Applications (RFA). Agreement with [standard contract language](#) terms and conditions is a requirement for application. (Note: NACCHO has a specific contract template as approved by the State's General Counsel for applicants from the states of FL and TX. Please email us for a copy should you need it.) No modifications will be made. The information will help to begin the contracting process immediately upon selection.

Our organization has read NACCHO's [standard contract language](#) and provided a copy to the individual with signing authority at your agency for advanced consideration. (Select Yes or No)

Yes No

Our organization has reviewed NACCHO's subrecipient [risk assessment form](#) and provided a copy to the individual with signing authority at your agency for advanced consideration. (Select Yes or No)

Yes No

Describe the project your agency/organization plans to supplement with this award.

Provide a summary of how your agency/organization plans to use the award money to supplement existing climate change and health

adaptation initiatives. Your summary should include:

Your agency/organizations' current and previous activities related to climate change and health adaptation.

The amount of funding requested can range from \$16,000-\$24,000.

Goal(s) and objectives for the award.

Project Title

Please use the space below to describe your project (4500 character limit)

Statement of Need (# of points = 40)

(2500 characters or less)

Relevant Experience (# of points = 40)

The applicant should describe current and previous projects related to climate and health, for example:

*Public education about the health effects of climate change;

*Partnerships with community-based organizations working in climate and health; and

*Performing Community Health Assessments or Community Health Improvement Plans to identify local priorities.

Please use the space below to describe your experience (4500 character limit)

Collaboration (# of points = 20)

Applicants demonstrating previous experience working with NACCHO will receive up to 20 additional points (i.e., based on the extent of prior engagement).

In which of the following ways have you engaged with NACCHO (in the past 5 years)?

- | | |
|-------------------------------|-------------------------------------|
| Current/Past Workgroup Member | NACCHO Board Member |
| Current/Past Workgroup Chair | Received Technical Assistance |
| Attended NACCHO Annual | Attended NACCHO Preparedness Summit |
| Other | None |

Please use the space below to describe your collaboration with NACCHO (1500 character limit).

Budget Narrative

Provide a budget breakdown for your project ranging from \$16,000 to \$24,000. Estimates are acceptable.

Categories may include:

Personnel
Fringe Benefits (x%)
Travel
Equipment
Supplies
Other
Indirect (x%)

Provide a brief budget narrative below:

Letter of Support

If you are not applying as an employee of a local health department, you must include a letter of support from your local health authority indicating how your project will consider health department priorities for climate change and health. Your local health authority may be a health commissioner, a departmental director of environmental health, or another representative with appropriate decision-making authority.

Attach your letter of support when submitting you application to Amy Chang achang@naccho.org.
