National Association of County and City Health Officials' Podcast from Washington

World Immunization Week with CDC's Dr. William Schluter and NACCHO CEO Lori Tremmel Freeman

Washington, DC, April 21, 2020 — In [this week's episode](#) from the NACCHO Podcast from Washington Series, Ian Goldstein is joined by NACCHO CEO Lori Tremmel Freeman to discuss the importance of World Immunization Week. They also talk about the 2019 novel coronavirus pandemic and how NACCHO is serving local health departments.

Later in the program, Ian Goldstein talks with [Dr. William Schluter](#), Director of the Global Immunization Division in the Center for Global Health at the U.S. Centers for Disease Control and Prevention. Mr. Goldstein and Dr. Schluter discussed [World Immunization Week](#) (April 24 to 30) and the importance of immunization in improving the health and well-being of individuals worldwide. They also discussed the many gains that have been made in immunization globally and where challenges still exist.

About NACCHO

The National Association of County and City Health Officials (NACCHO) represents the nation's nearly 3,000 local health departments. These city, county, metropolitan, district, and tribal departments work every day to protect and promote health and well-being for all people in their communities. For more information about NACCHO, please visit www.naccho.org.
